### **“Look to the Day”**

[Look to the Day, by John Rutter \(thetabernaclechoir.org\)](#)

#### **Judy Note:**

#### **A. Schedule:**

- **Three Days: Tues. 28 June to Thurs. 30 June** are fireworks. ...Trump
- **Q said there would be “Christmas in July.”** By July Exposure and Mass Arrests were well underway (completion date unknown).
- **Fri. 1 July “Dark in Ten”:** Q Channels would be made private – bringing us to Nikola Tesla Birthday **Sun. 10 July.**
- **Mon. 4 July:** Fourth of July Freedom Celebration (three day banks closed weekend).
- **Thurs. 7 July** was Checkmate with the World Premier of “2000 Mules” Documentary that proved 2020 Election Fraud. Would this be when JFK Jr.’s true identity was confirmed?
- **Sun. July 10** = Nikola Tesla Birthday
- **Sat. 11 July** + 120 days to the Midterm GESARA Election. Get ready for a Great Flood of Truth and some False Flag Events. July 11 = The Flood [7.11].

#### **B. Global Currency Reset:**

- **The Chinese Elders** have apologized for the delay in completing the Global Currency Reset saying, “The leadership just needed more time.”
- **Bond Holders have been told** they would begin to be paid anywhere from the first week in July to early August.
- **The Iraqi Dinar** has always been the currency set to revalue first at it’s pre-war rate of around \$3.23 per Dinar, then within 24 hours or so, float up to a more realistic double digit level (said could possibly be around \$17). The Iraqi Dinar has been on the Forex for some time, but has not yet changed in value. We may have to wait until all currencies revalue and exchange the Iraqi Dinar at a Redemption Center in order to receive the

highest rates. You can track the value of the Dinar here: [Currency Converter | Foreign Exchange Rates | OANDA](#)

- **MarkZ: Many countries were reporting GESARA debt forgiveness for their citizens**, though the articles were being scrubbed from the Internet almost as fast as they were put up.

**Reminder: No one, and I mean Absolutely No One** knows the exact time and date that the Global Currency Reset would be finalized, with codes entered for notification of Tier 4B (us, the Internet Group) to set redemption/ exchange appointments – it dependent upon an earth shattering Event. **The exact deadline** would be decided by the Military out of calculations of their Quantum Computer and based upon concerns for safety of The People. **Trust the Plan.**

#### D. Corruption in the US Judicial System, IRS and Utah Courts was being exposed in the Patriots “Barbie and Ken vs. Goliath IRS Court Case”:

- The IRS Case against the Cromars was filed almost five years ago after Ken began to expose IRS, Court and Judicial corruption on a local, state and national level.
- In the years since the Cromars, among a string of court abuses, have been arrested and twice through SWAT teams that had no warrant, had their home seized and all their possessions thrown away.
- Ken Cromar with Charlie Ward: <https://rumble.com/v19q7sg-we-are-on-an-assignment-for-the-lord-fighting-the-system-with-ken-cromar-an.html>
- The Case was tied to a CNN reporter at the Jan. 6 break in of the US Capitol and Utah County prosecutor David Leavitt – up for re-election – who was under investigation by the Utah County Sheriff’s Office for child sex abuse with a Satanic flavor.
- With proof that the US Tax Court has long ago released them from owing the IRS, the Cromars still face trial and 15 years in prison for bucking the system.
- Among many other abuses by the Court the Cromars have not been allowed to file documents in Court for their own defense. The latest was on Mon. 27 June when despite the fact that the Clerk of the Court in the American Fork Utah Fourth Judicial

Court sent an Application for a Writ of Habeas Corpus to the Fourth District Court in Provo Utah at approximately 4:30 pm on **Friday June 24, 2022**, Judge Johnson of the Fourth District Court in Provo claimed that she had not received the Application for a Writ of Habeas Corpus and went ahead with the trial without hearing the Writ of Habeas Corpus – a direct invitation for a Mistrial even before the trial began.

- **Additionally Judge Johnson admitted she had received instructions on how to proceed with the trial of Barbie & Ken from Associate Presiding Judge Kraig J. Powell.** This was disturbing since Judge Powell has had personal matters and judgments filed against him by Barbie & Ken. Judge Powell should have rescued himself from any decision about Barbie & Ken's trial and his involvement, making the decision to move forward with the trial as extremely prejudicial to Barbie and Ken and in direct violation of the Professional Rules of Conduct and his Oath of Office.
- **Judge Johnson's admission also appears to indicate that there was an orchestrated collusion.** The enormity of Judge Johnson's decision appears to meet the definition of RICO (Racketeer Influenced and Corrupt Organizations Act: a U.S. law, enacted in 1970, allowing victims of organized crime to sue those responsible for punitive damages.)
- **Barbie and Ken were being harassed and abused by a corrupt US Inc. Court System and could use your help:** <https://www.miraclesingodwetrust.com/donations-to-barbie-ken-vs-goliath-irs/barbieandkenvgoliathlrs/>

#### E. Global Financial Crisis:

- **Does anyone still need proof IMF and World Bank have been taken over by the White Hats?:** “Central Bank of Morocco to introduce Bitcoin and crypto regulation bill.” According to Bank Al-Maghrib (BAM) governor Abdellatif Jouahri the institution has engaged with International Monetary Fund (IMF) and the World Bank on specific benchmarks. Notably, the IMF has been central in calling on countries to regulate the crypto sector while issuing warnings on the dangers of legalizing assets like Bitcoin. For instance, the institution has urged El Salvador to drop Bitcoin as legal tender stating that the move threatens the country’s economy. <https://finbold.com/topic/bitcoin/> <https://finbold.com/imf-identifies-crypto-regulation-as-priority-issue-for-india-as-finance-minister-warns-of-threats/> <https://finbold.com/imf-warns-el-salvador-against-using-bitcoin-cites-threats-to-financial-stability/>
- **Looks like Tether execs won't be able to hide for much longer when Evergrande comes crashing down.** Currently they can withstand the onslaught of “a few hundred million” but what happens when it becomes billions or trillions: <https://cryptobriefing.com/tether-cto-affirms-hedge-funds-tried-to-short-usdt/>

And because it's not a risk, when they were doing the trial, they couldn't measure it. You shouldn't be doing a trial where you can't measure the benefit."

#### H. The Real News for Tues. 28 June 2022:

- **Fri. June 24:** NSA and MI6 with several other world Intelligence agencies were scrabbling and the world came very close to full out thermo-nuclear war.
- **Putin was brought to the Kremlin** on Saturday evening in a great big hurry. There had been some heated comments made on both sides of the conflict, with Putin threatening to launch nuclear weapons into London, the EU threatening Russia by placing artillery along the Russian border and blocking the railroad from the Russian port Kaliningrad on the Black Sea through the borders of Poland and Lithuania.
- **This may be the latest hot spot** that is simmering to a boil in the last gasps of the Nazi 4th Reich in Europe.
- **Israeli Parliament** votes to dissolve and hold new elections.
- **The countries of the world are currently boycotting Europe and the United States** mainly because of their plans for genocide in economic terms. Russian Security Council Chairman Nikolai Patrushev said he has evidence from Ukraine that Washington is trying to kill a large percentage of the world's population based on evidence of military biological programs. These projects "require special attention of the civilized world,"

since the Americans were the only ones who did not want to sign the Biological and Chemical Weapons Convention. <https://tass.com/world/146687>

- **Texas and Arizona are already refusing to recognize Biden's false regime.** Texas Republicans are now pushing for a referendum on voting on the separation of the state from the United States in 2023 at a convention that declared Biden's victory illegitimate. <https://is.gd/bW5TqV>

## I. White Hat Intel:

- **Electricity taken from air drives automobile. Nikola Tesla's Pierce-Arrow electric car from 1921 running on pure etheric electricity.** This is a self recharging car, it does not run on batteries, oil or gas. Electric vehicles have been around for much longer than most people realize. This is not even a myth, just a cover up of our lost technology so that they could bill us every step of the way, and have a complete control over us. Free energy = Independence, freedom from the matrix, freedom to go wherever you want, live off grid, have heat and electricity, and live your life happily without government interferences.
- **Joe Biden has ownership in the Chinese Communist Party Lithium Company.** The Deep State across the world was pushing for climate change for several reasons. One of the main reasons is to go full lithium running cars and replace fuel cars. That's why every major car company in the world is producing more than half of its market to go Lithium in **2023**.

## J. The European Union will be the first to fall.

- **The Deep State Cabal Jesuits/ Kazarian Mafia/ Rockefellers/ Rothschilds/ Dutch Royal Family/ Blackrock/ Vanguard, ect.** were the forces behind the pandemic, world wars, human trafficking, weapons trade, bioweapon Labs in Ukraine, Nicaragua, Australia Congo, Nigeria, India, Kenya, Ghana, Haiti, Ethiopia, Georgia, ect.
- **The growth of the Cabal** after Israel/Egypt (Kazarian Mafia dominance) Deep State begins its world domination from the Old Country Europe, Italy, Roman Empire, Vatican who created the first Centralized Banking systems through the Knights Templar. Templar was a Catholic Military and the most wealthiest of the Christian order who like today's CIA, created Wars in many countries for control of resources and installing regimes faithful to the Jesuit/ Kazarian Mafia monarchy.
- **The only way to defeat the Cabal** is to destroy their Regimen in Europe by collapsing their oil and gas. Putin knows what he's doing.
- **The Deep State in Europe** has been dependent on the oil for many reasons that is connected to share holders through Vanguard/ Blackrock/ State Street. Hundreds of billions was traded through the resources of oil, gas and petroleum products daily, that connect to shipping, supply chains and production in all industries throughout the European Union.

- **The boycott of the Central banking system** backed by USD (in debt nearing 250 trillion \$) was happening throughout the world. A systematic collapse of the European Union is happening.
- **Russians and others have cut off gas to the EU** because nobody wants to accept their nothing backed fiat money as payment. Italy and Slovakia reported receiving less than half of the usual volumes of gas from Russia. France has had no gas since June 15th. Poland, Bulgaria, Finland, Denmark and the Netherlands have already had their Russian gas deliveries suspended. Germany is also facing a cut off soon.
- **The Europeans cannot find gas elsewhere.** Algeria, for example, has also cut off half the gas supply it sends to Europe via pipeline
- **The fake Biden regime promised Europeans** they would replace Russian gas but, their main gas export terminal has been blown up and will not resume full operations before years' end.
- **The squeeze is also being put on oil.** The oil the Europeans have been stealing from Libya ever since the murder of Muammar Gaddafi in 2011 has been cut off.
- **Also, Ukraine's largest oil refinery has been destroyed,** cutting off another major source of European oil.
- **How do you expose the Old Guard Cabal in the European Union** that controls NATO, UN and the world Agenda that created the Pandemic and almost everything through the world connected to Jesuits Davos/ Vatican Kazarian Mafia/ Rothschilds, ect? You collapse their Deep State Financial monopolized institutions that use oil, gas, petroleum as their base for trillions in investments in all the industries they run.
- **Inside Vanguard/ Blackrock/ State Street** panic is happening. Investors are turning on the Rothschilds and Elites.

**K. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill’s witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

**L. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**M. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within these organizations:**

**N. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**O. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.*

*After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.*

*This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
